The Goodes O'Loughlin Foundation Limited

Notes to the financial statements

For the year ended 30 June 2016

1 Reporting entity

The Goodes O'Loughlin Foundation Limited (the 'Company') is a not for profit company limited by guarantee. The address of the Company's registered office is SCG Light Tower 4, Driver Avenue, Moore Park NSW 2021, Australia.

The Company is primarily involved in undertaking activities that are designed to support and assist Indigenous Australians by encouraging, supporting and empowering them through education.

2 Basis of preparation

(a) Statement of compliance

The financial statements are Tier 2 general purpose financial statements which have been prepared in accordance with Australian Accounting Standards - Reduced Disclosure Requirements (AASBs) adopted by the Australian Accounting Standards Board (AASB) and the Australian Charities and Not-for-profits Commission Act 2012.

The financial statements were authorised for issue by the Board of Directors on 21st September 2016.

(b) Basis of measurement

The financial statements have been prepared on the historical costs basis.

(c) Functional and presentation currencies

These financial statements are presented in Australian dollars, which is the Company's functional currency.

(d) Use of estimates and judgements

The Company assessed its short-term employee benefits on adoption of the revised standard and noted it to have no impact to the Company's financial statements.

(e) New accounting standards for application in future periods

The AASB has issued a number of new and amended Accounting Standards and Interpretations that have mandatory application dates for future reporting periods, some of which are relevant to the company. The company has decided not to early adopt any of the new and amended pronouncements. None of these are expected to have a significant impact on the financial statement of the company.

AASB 15 Revenue from Contracts with Customers

AASB 15 establishes a comprehensive framework for determining whether, how much and when revenue is recognised. It replaces existing revenue recognition guidance, including AASB 18 Revenue, AAB 111 Construction Contracts and AASB Interpretation 13 Customer Loyalty Programmes. AASB 15 is effective for annual reporting periods beginning on or after 1 January 2018, with early adoption permitted. The Company is assessing the potential impact on its financial statements resulting from the application of AASB 15.

For the year ended 30 June 2016

3 Significant accounting policies

The accounting policies set out below have been applied consistently to all periods presented in these financial statements.

(a) Financial instruments

(i) Non-derivative financial assets

Financial assets are recognised initially on the date at which the Company becomes a party to the contractual provisions of the instrument.

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or it transfers the rights to receive the contractual cash flows on the financial asset in a transaction in which substantially all the risks and rewards of ownership of the financial asset are transferred. Any interest in transferred financial assets that is created or retained by the Company is recognised as a separate asset or

The Company has the following non-derivative financial assets: cash and cash equivalents.

Cash and cash equivalents comprise cash balances and call deposits with original maturities of three months or less. Bank overdrafts that are repayable on demand and form an integral part of the Company's cash management are included as a component of cash and cash equivalents for the purpose of the statement of cash

(ii) Non-derivative financial liabilities

Financial liabilities are recognised initially on the date at which the Company becomes a party to the contractual provisions of the instrument. The Company derecognises a financial liability when its contractual obligations are discharged or cancelled or expire.

Financial assets and liabilities are offset and the net amount presented in the statement of financial position when, and only when, the Company has a legal right to offset the amounts and intends either to settle on a net basis or to realise the asset and settle the liability simultaneously.

The Company's non-derivative financial liabilities are other payables. Such financial liabilities are recognised initially at fair value plus any directly attributable transaction costs. Subsequent to initial recognition these financial liabilities are measured at amortised cost using the effective interest rate method.

(b) Impairment

(i) Financial assets (including receivables)

A financial asset is assessed at each reporting date to determine whether there is objective evidence that it is impaired. A financial asset is impaired if objective evidence indicates that a loss event has occurred after the initial recognition of the asset, and that the loss event had a negative effect on the estimated future cash flows of that asset that can be estimated reliably.

Objective evidence that financial assets are impaired can include default or delinquency by a debtor, restructuring of an amount due to the Company on terms that the Company would not consider otherwise, indications that a debtor or issuer will enter bankruptcy.

The Goodes O'Loughlin Foundation Limited

Notes to the financial statements (continued)

For the year ended 30 June 2016

3 Significant accounting policies (continued)

(b) Impairment (continued)

(i) Financial assets (including receivables) (continued)

The Company considers evidence of impairment for receivables at both a specific asset and collective level. All individually significant receivables are assessed for specific impairment. All individually significant receivables found not to be specifically impaired are then collectively assessed for any impairment that has been incurred but not yet identified. Receivables that are not individually significant are collectively assessed for impairment by grouping together receivables with similar risk characteristics.

In assessing collective impairment the Company uses historical trends of the probability of default, timing of recoveries and the amount of loss incurred, adjusted for management's judgement as to whether current economic and credit conditions are such that the actual losses are likely to be greater or less than suggested by historical trends.

An impairment loss in respect of a financial asset measured at amortised cost is calculated as the difference between its carrying amount and the present value of the estimated future cash flows discounted at the asset's original effective interest rate. Losses are recognised in profit or loss and reflected in an allowance account against receivables. When a subsequent event causes the amount of impairment loss to decrease, the decrease in impairment loss is reversed through profit or loss.

(ii) Non-financial assets

The carrying amounts of the Company's non-financial assets, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

The recoverable amount of an asset or cash-generating unit is the greater of its value in use and its fair value less costs to sell. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. For the purpose of impairment testing, assets that cannot be tested individually are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or groups of assets (the "cash-generating unit").

An impairment loss is recognised if the carrying amount of an asset or its CGU exceeds its estimated recoverable amount. Impairment losses are recognised in profit or loss. Impairment losses recognised in respect of CGUs are allocated to reduce the carrying amounts of the other assets in the unit (group of units) on a pro rata basis.

(c) Finance income and finance costs

Finance income comprises interest income on cash and cash equivalents and foreign exchange gains. Interest income is recognised as it accrues in profit or loss, using the effective interest method.

Finance costs comprise interest expense on borrowings and foreign exchange losses. Finance costs are recognised in profit or loss using the effective interest method.

The Goodes O'Loughlin Foundation Limited

Notes to the financial statements (continued)

For the year ended 30 June 2016

3 Significant accounting policies (continued)

(d) Revenue

Revenue is recognised at the fair value of consideration received or receivable. Amounts disclosed as revenue are net of returns, trade allowances and duties and taxes paid. The following specific recognition criteria must also be met before revenue is recognised:

(i) Fundraising and donations

Revenue derived from fundraising efforts is recognised as the entity obtains control of the assets that have been donated.

In-kind donations received by the Company relates to goods and services provided by third parties and are measured, at their fair values during the financial year through profit or loss. In-kind donations are recognised when the Company obtains control of the contribution, or the right to receive the contribution, it is probable that the economic benefits comprising the contribution will flow to the entity and the amount of the contribution can be measured reliably. The corresponding expense in relation to the in-kind donation is recognised in the profit or loss upon consumption of the goods or services.

(ii) Government grants

Government grants are recognised in the income statement in the period to which the funding relates to, to the extent that expenditure has been incurred in accordance with the terms and conditions attaching to individual government grants. Grants received on the condition that specified services are delivered or conditions are fulfilled, are considered reciprocal. Such grants are initially recognised as a liability and revenue is recognised as services are performed or conditions fulfilled. Revenue from non-reciprocal grants is recognised when the company obtains control of the funds.

(e) Income tax

The Company is not liable for tax as it comprises a tax exempt charitable entity and as such incurs no liability to pay tax.

(f) Goods and services tax

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the taxation authority. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of the expense.

Receivables and payables are stated with the amount of GST included. The net amount of GST recoverable from, or payable to, the ATO is included as a current asset or liability in the statement of financial position.

(g) Intangible assets

Intangible assets that are acquired by the Company and have finite useful lives are measured at cost less accumulated amortisation and accumulated impairment losses.

Subsequent expenditure

Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure, including expenditure on internally generated goodwill and brands, is recognised in profit or loss as incurred.

Amortisation

Intangible assets are amortised on a straight-line basis in profit or loss over their estimated useful lives, from the date that they are available for use. Amortisation methods, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate.

(h) Scholarship Fund

Donations received by the Company are receipted into a separate bank account established for the purpose of the Public Gift Fund, which is titled The Goodes O'Loughlin Scholarship Fund ("the Scholarship Fund"). The Scholarship Fund has been provided with a Deductible Gift Recipient status by the ATO and is maintained in accordance with the Company's Constitution.

The Goodes O'Loughlin Foundation Limited

Declaration by Chairman in respect of fundraising appeals

I, Peter Meurer, Chairman of The Goodes O'Loughlin Foundation Limited, declare, in my opinion:

- (a) the financial statements give a true and fair view of all income and expenditure of The Goodes O'Loughlin Foundation Limited with respect to fundraising appeal activities for the financial year ended 30 June 2016;
- (b) the statement of financial position gives a true and fair view of the state of affairs with respect to fundraising appeal activities as at 30 June 2016;
- (c) the provisions of the Charitable Fundraising Act (NSW) 1991 and Regulations and the conditions attached to the authority have been complied with for the financial year ended 30 June 2016; and
- (d) the internal controls exercised by The Goodes O'Loughlin Foundation Limited are appropriate and effective in accounting for all income received and applied from any fundraising appeals.

Chairman

Dated at Sydney this 21st day of September 2016.

Independent audit report to the members of The Goodes O'Loughlin Foundation Limited.

Report on the financial report

We have audited the accompanying financial report of The Goodes O'Loughlin Foundation Limited (the Company), which comprises the statement of financial position as at 30 June 2016, and statement of profit and loss and other comprehensive income, statement of changes in members' funds and statement of cash flows for the year ended on that date, notes 1 to 13 comprising a summary of significant accounting policies and other explanatory information and the directors' declaration.

This audit report has also been prepared for the members of the Company in pursuant to Australian Charities and Not-for-profits Commission Act 2012 (ACNC) and Section 24(2) of the Charitable Fundraising (NSW) Act 1991 and Regulations (collectively the Acts and Regulations).

Directors' responsibility for the financial report

The Directors of the Company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards – Reduced Disclosure Requirements and the ACNC. The Directors' responsibility also includes such internal control as the Directors determine necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

We performed the procedures to assess whether in all material respects the financial report gives a true and fair view, in accordance with Australian Accounting Standards – Reduced Disclosure Requirements and the ACNC, a true and fair view which is consistent with our understanding of the Company's financial position and of its performance.

Independent audit report to the members of The Goodes O'Loughlin Foundation Limited (continued)

In addition, our audit report has also been prepared for the members of the Company to meet the requirements of the Acts and Regulations. Accordingly, we have performed additional work beyond that which is performed in our capacity as auditors pursuant to the ACNC. These additional procedures included obtaining an understanding of the internal control structure for fundraising appeal activities and examination, on a test basis, of evidence supporting compliance with the accounting and associated record keeping requirements for fundraising appeal activities pursuant to the Acts and Regulations.

It should be noted that the accounting records and data relied upon for reporting on fundraising appeal activities are not continuously audited and do not necessarily reflect after the event accounting adjustments and the normal year end financial adjustments for such matters as accruals, prepayments, provisioning and valuations necessary for year end financial report preparation.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of the Australian Charities and Not-for-profits Commission Act 2012.

Auditor's opinion

In our opinion the financial report of The Goodes O'Loughlin Foundation Limited is in accordance with the Australian Charities and Not-for-profits Commission Act 2012, including:

- (i) giving a true and fair view of the Company's financial position as at 30 June 2016 and of its performance for the year ended on that date; and
- (ii) complying with Australian Accounting Standards – Reduced Disclosure Requirements and the Australian Charities and Not-for-profits Commission Regulation 2013.

Independent audit report to the members of The Goodes O'Loughlin Foundation Limited (continued)

Auditor's opinion pursuant to the Charitable Fundraising (NSW) Act 1991

In our opinion:

- (a) the financial report gives a true and fair view of the financial result of the fundraising appeal activities for the financial year ended 30 June 2016;
- (b) the financial report has been properly drawn up, and the associated records have been properly kept for the period from 1 July 2015 to 30 June 2016, in accordance with the Charitable Fundraising (NSW) Act 1991 and Regulations;
- (c) money received as a result of fundraising appeal activities conducted during the period from 1 July 2015 to 30 June 2016 has been properly accounted for and applied in accordance with the Charitable Fundraising (NSW) Act 1991 and Regulations; and
- (d) there are reasonable grounds to believe that The Goodes O'Loughlin Foundation Limited will be able to pay its debts as and when they fall due.
